

Celebrate Thanksgiving at home in style and let us do the cooking.

Order our signature Saint Urban Thanksgiving feast for your family this year and bring the Saint Urban experience home. We've sourced organic, Green Circle turkeys, (yes, the turkey version of the chicken we serve in the restaurant) and have trimmed & brined them in advance. Just pop them in the oven and take all the credit.

Each kit is available in 2 sizes for groups up to 4 or 8 people.

Our Small Feast feeds 2 with leftovers (or up to 4 people with clean plates) is \$240 and requires about 2 hours of light cooking & reheating.

The Large Feast feeds 4 to 8 people for \$400 and requires about 3 hours of light cooking and reheating. Menu attached, call to order as supplies are limited.
